

**VIDEO EDITING AT TECKNIEK**

## WHAT WE OFFER

**We, at Techniek, aim to provide you the best video editing services at the lowest prices. Our video editing team consists of highly skilled individuals with an in-depth knowledge of all video editing aspects from color grading and hyperlapses to noise reduction and transitions in a video. our qualified video editors will help you create the most amazing and jaw-dropping videos starting at just \$9.**

# HOW IT'S DONE

**It's always advantageous to have a clear image of how we need our video to be before starting to edit. For this purpose, we organize an in-depth meeting with our clients regarding their purpose and goals and what they expect from their video.**

# OUR WORK

**We believe the results speak for themselves, therefore, We have added a few "before editing" and "after editing" pictures for your reference .**

# **COLOR GRADING**

**A video looks much livelier and appealing with bright and vibrant colors. Our video editors help you bring out those colors in your video.**

# **T R A N S I T I O N S**

**We make sure that while compiling numerous video clips, entry into a new frame from the previous one is a smooth transition**

# SPLIT SCREEN

**We help you in adding more than one frame to your video screen and instilling split screen in a video efficiently.**
